

## Holiness

Leviticus 19

### INTRODUCTION

- THIS IS ABOUT **HOLINESS**... being set apart for God's purposes, distinct from the pagan world His people live in
  - **"I AM THE LORD" IS THE THEME**
  - This chapter is very important in the Old Testament. It's referenced in Deuteronomy, Psalms, Proverbs, the Prophets and seemingly through the New Testament book of James.
  - **Lev. 19 emphasizes the living out of the Ten Commandments, which Christ summarized as Loving God and Loving Others.**
