REACH MINISTRY

Thank you for your request for information in regard to seeking direct financial support from University Baptist Church (UBC). As stewards of the UBC mission expenditures, we are continuing to develop stronger communication and accountability with the individual missionaries and ministries that we support financially. The contents of this letter will aid in this process.

We ask all of our directly supported missionaries and ministries, as well as those seeking support, to fill out a "Request for Mission Information" form. If your application is accepted, this form will be kept on record and will need to be filled out only once or upon significant changes to your ministry.

In addition, in an effort to further establish our relationship, we ask all of our supported missionary/ministries to fill out an "Annual Report". This report consists of only one question: What is God doing in your life and your ministry? Please take a few moments to fill this out. If, in the future, you are supported financially by UBC, you will be asked to fill out this form annually.

Please submit the above mentioned documents no later than August 1, 2008. After August 1, the Direct Support Sub-Committee of the UBC Mission Committee will begin the process of reviewing your application. They will be in contact regarding your support status by the end of the year.

Should you have any questions about the process, or if we can be of any further help to you in your ministry, please feel free to contact us.

Blessings,

John Mueller
Pastor, Worship and Reach
