

Criteria for Receiving Direct Mission Support from UBC

1. Presently funded individuals and entities will be reviewed annually via our “Annual Report Form” which will be mailed out to funded individuals and entities by May 1st and must be returned by August 1st.

In addition to our “Annual Report Form”, new applicants will be required to complete the four page questionnaire “Request for Mission Information”. This form must also be in by August 1st, as this will be the deadline for considering new requests for financial support for the coming year.

2. Support should only go to individuals or entities who share the same values and essentials beliefs as UBC and who desire to form a partnership with UBC for the greater goal of Kingdom expansion.

3. These individuals or entities must maintain their relationship by quarterly communication with UBC. They need to communicate their prayer requests and needs via newsletter, personal contact, or email.
